Defendant(s).)	

This case is currently set for a final pre-trial conference on April 22, 2022 and trial on June 6, 2022. Pursuant to the court's Pre-trial Scheduling Order, "[c]ounsel for all parties and pro se parties are to be fully prepared for trial at the time of the pre-trial conference, with no matters remaining to be accomplished except production of witnesses for oral testimony." (See Docket No. 11, pg. 7, lines 1-3.)

The parties have completed discovery and expert witness disclosures. However, prior to the completion of expert discovery the parties stipulated and agreed to engage in a settlement conference in an effort toward resolution of this action. The parties agreed to hold remaining expert discovery until the conclusion of that conference with the hope that the case would resolve, rendering further expert discovery unnecessary. On November 17, 2021, the parties filed a stipulation to schedule a Settlement Conference before a Magistrate Judge by random assignment.

1 This case was ultimately set for a settlement conference before Magistrate Judge Jeremy D.
2 Peterson on March 30, 2022. The Settlement Conference was just recently held on March 30,
3 2022, but unfortunately the case did not resolve. There is now insufficient time to complete the
4 remaining expert discovery prior to the current final pre-trial conference and trial dates.

5 Therefore, the parties jointly request the Court continue the current trial date from
6 June 6, 2022 to October 31, 2022 and re-set the final pre-trial conference date to correspond with
7 the new trial date.
